

# 180 Printable Trivia Questions for "Harry Potter and the Sorcerer's Stone"

ADELE JEUNETTE • UPDATED: DEC 23, 2022 7:57 PM EST

## 180 Printable Trivia Questions for *Harry Potter and the Sorcerer's Stone*

I'm a librarian who plans programs for children, and I've had a hard time finding Harry Potter trivia questions that are all in one place. Some are only questions, only, or they separate the questions and answers so much that they take a lot of time to hook back together. So I decided to write them all up for *Stone*, and came up with 180 questions—60 each for the categories of easy, medium, and difficult.

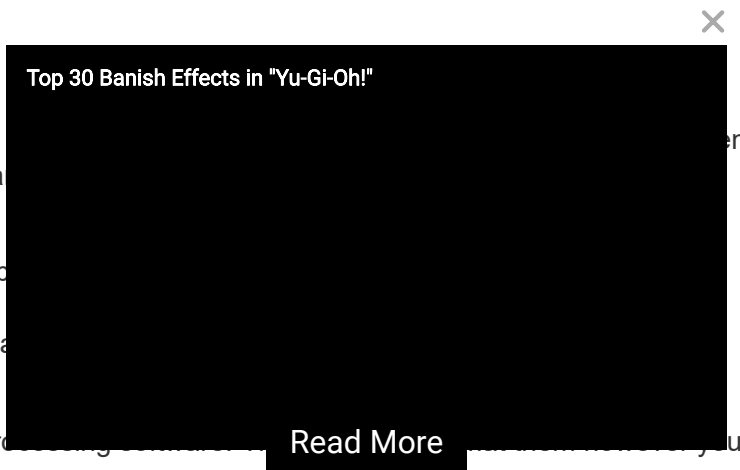

## How to Use These Questions

There are two ways to use these questions. The first is to click the link to the PDF version and print them out onto card stock, you can shuffle the cards and give them to a moderator who will read the question out to tea

Alternatively, if you print them out on regular paper, you can fold them a couple of times and put them into a bowl. Then they pull one of the folded pieces of paper and hand it to whoever is monitoring the station. That person can then ask the question and if they answer correctly. (You can also say that a person needs to get a certain number of answers right to get a

The second way to use the questions is just to select and copy any of the questions listed below into word processing software and print them out. Following are some samples of what the pages look like.

## Link for Printable Trivia Questions PDF

Here is the link: [Printable Harry Potter Trivia Questions](#). The first 10 pages are easy, the second 10 pages are medium, and the third 10 pages are difficult. If you only want to print certain pages, make note of the page numbers you'd like and set your printer to print only those pages.

## Trivia Questions to Copy

I've listed all the trivia questions below grouped into their category: easy, medium, or hard. You can select any of the text you like and copy it into a word processing program. From there, you can format them however you would like and print them out.
